**Subject:** Microsoft Settlement

To Whom It May Concern:

The proposed settlement is unacceptable and it is incompatible with the interests of the American People.

The biggest problem is this: A criminal should not be allowed to profit from their crimes. The remedy should include a punitive measure to deprive them of all illegally (as determined in the findings of fact) gained revenues to date.

If this is not done, then justice is not done and the problem is not remedied.

Thank you,  
John Millington, a Software Developer in Albuquerque, NM
